UGCET-2026 – 3rd Round Seat Allotment – Provisional Results published – Choice-4 enabled

Provisional Results:

For the above mentioned UGCET courses, 3rd round seat allotment has been conducted based on the merit and options entered by the candidates and the provisional results is hosted on the KEA Website on 04-09-2026 after 6.00 pm.

Choice-4 – selection (from 04-09-2026 to 06-09-2026 – 10.00 am)

For the benefit of the candidates who have been allotted seat afresh in the 3rd round, Choice-4 is introduced for the 3rd round provisional results. If such candidate is not interested in the provisionally allotted seat, he / she can choose Choice-4 and exit from this year UGCET counselling process.

Those who have reported for the seat allotted in the second round and participated for upgradation will not be allowed to give Choice-4. It is mandatory to get admission in the seat allotted/to be allotted.

NOTE: If the candidate is not interested in the provisionally allotted seat, he / she can opt Choice-4. After the announcement of final results, candidate should compulsorily report to the college without citing any reason. In case if the candidate does not want the seat, and likes to surrender engineering seat, (please read A NOTE ON SEAT CANCELLATION, REFUND AND FORFEITURE OF FEE:) such candidates have to pay the prescribed fees and five times of the fees as penalty as per rules; and in accordance with law, legal action may be recommended against such candidates for blocking the Government seats.

Final Results announcement:

In this way, all the Choice-04 seats will be consolidated; the 3rd round of seat allotment will be re-run (upgradation) based on the already entered options, (no change in options will be allowed), and the final result will be published.
